Our goal is to raise \$12,000 which could send one family of 5 to Disney World. This includes airfare, accommodations, rental car, tickets to several parks, meals and spending money while in the parks.

They get a chance to escape the day-to-day of doctors, hospitals, treatments and enjoy wonderful memorable family time! Which due to their child's illness is out of reach but much needed to get their family together.

RWK grant wishes to children ages 3 thru 21 who have life-threatening illnesses living in RI and areas of southeastern MA.
